

M.G. Y-Type 70th Anniversary Weekend, 2017

Sunshine Coast Hinterland, Queensland, Australia

9th – 12th June 2017

Back in 1997, the Australian M.G. Y Register organised a celebration of 50 years of the Y-Type, *50 Years On The Road*, at Mt. Victoria in the Blue Mountains NSW.

In 2007, Steve and Lynne Brompton again stepped up to the challenge and organised the 60th Anniversary at Maitland, NSW, *60 And Going Strong*. We all remember the photo shoot – 30 Y's all together in a big Y!

In 2012, due to popular demand, we had another great weekend at Mt. Victoria to celebrate the 65th Anniversary.

In 2017 Debbie and I will take up the challenge as hosts of the celebration of the 70th Anniversary of the *M.G. Y-Type Down Under*, with Steve and Lynne as our guests this time.

We can already announce two featured guests to this event – David Lawrence from South Africa, author of “Let there be Y’s”, and Paul Barrow from Washington State USA, co-founder & webmaster of The International M.G. Y-Type Register have confirmed that they hope to be able to attend and to be a part of the weekend program.

The weekend will include social events, technical sessions, garage visits, talks by featured guests and a couple of great driving and sightseeing tours through the scenic Sunshine Coast Hinterland roads to exercise and enjoy our Y-Types. And of course, another great photo shoot is planned!

The event will have the hinterland town of **Nambour** as the hub of the rally. We are now planning and seek your expressions of interest in attending the 70th – let us know if you are likely to come, so we can find suitable venues for all the events.

We don't want to limit the numbers attending at this time – we would rather have everyone here, but we need to know so we can start to plan the event – it's only just over 2 short years away.

Please let us know your intentions to attend this great weekend of everything Y-Type, with fellow enthusiasts who share your love of this appealing M.G.....

Expressions of Interest via email please to mgyregister@optusnet.com.au

We need to know how many people are in your group and if you will bring a Y-Type.

Further bulletins about the event will be forthcoming, with details of the events and likely costs as planning proceeds. Please indicate if you have an interest in attending.
