Congratulations to John Harriott, recipient of the Golden Era of Auto Racing (GEAR) Tin Star award for 2022.

The first AGM of GEAR was held on 8th December 1999 and here the Tin Star Award was introduced by Graeme Snape and awarded to Ben Sellers.

The Tin Star Award is presented to a driver who has had a number of drives throughout the year and shown to be a courteous and safe driver, following GEAR guidelines. They are also a driver willing to help out their fellow drivers and their club.

The next GEAR event is at SMSP on Monday, 13 February 2023.
