

It's TYme to Register now

MG TYme 2018 on 5, 6 and 7 October is rolling around very quickly, and we now ask you to Register. Our Club website has all the details that you need to register for the event as a full participant. Registrations will close on 21 September 2018.

MG TYme 2018 will follow a similar format to its predecessor events but have enough differences to be unique and special for our Club members and visitors. What is very special this year is that we are having our display day at the Australian War Memorial (AWM), and our guest speaker at our Saturday evening dinner will be the Technical Curator of the AWM (and MG owner) Mr Chris Goddard. We have had lengthy discussions with Chris about what he will talk about – and it is certain to be both interesting and memorable. The emphasis will be on the AWM's collection of things to do with cars with a particular focus on WW2 which of course is all about the T and Y Types.
