

MGCC Canberra Monthly Update for NOVEMBER 2021

Club Notices

- Members wishing to use their CRS registered cars are able to do so for regular events, obviously abiding by the latest ACT Public Health Regulations and the CACTMC guidelines for use of CRS registered cars.
- Any member interested in NSW registration plate “70 MGBL” should contact the Secretary who has been asked to offer this to Club members.
- The Club congratulates Amelia Starkey, Malcom Robertson and Terry Griffiths on winning their class in the MG Motor Australia Virtual Show and Shine.

Monthly Meeting for November and the Club 2021 AGM

- AGM - Due to continued restrictions on indoor gatherings in the ACT, the Club AGM will be held via Zoom on 11 Nov 21 at 7.45pm. Instructions on the use of Zoom were sent out with the Oct Monthly Update. This will only be the AGM and not the full Nov Monthly Meeting. A quorum based on current memberships is 28. Members were sent formal notification of the AGM by email on 12 Oct 21, with the audited statement of the Club’s accounts, a copy of the auditors report and last years AGM minutes. The

President's Report will be sent out shortly with the link to join the Zoom Meeting. Members are kindly asked to have patience when joining on Zoom, as Kent Brown will be checking membership before allowing you to join the meeting. Please also ensure that your Zoom Screen name is your real name and not something like "Mr Al Zymer"! So that your barking dog or local noise doesn't disturb the meeting, please ensure your device is on mute (click on the icon of a microphone on the tool bar in Zoom) and only un-mute if you wish to speak. We hope to show an 8 minute slide show of Club events through the past year before the AGM starts. You are reminded that nominations for Committee positions are required before the AGM.
